3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

Extension Activities Carried out in neighbourhood villages

| Year | 2022-23 | 2021-22 | 2020-21 | 2019-20 | 2018-19 |
|----------------|---------|---------|---------|---------|---------|
| No of Programs | 10 | 10 | 07 | 09 | 11 |

At Indira Institute of Engineering and Technology (IIET), the NSS (National Service Scheme) and YRC (Youth Red Cross) programs have been vibrant avenues for students to engage in community service and social responsibility. Over the past five years, the institute has consistently conducted a significant number of programs, with 10 events held each in the academic years 2022-23 and 2021-22. Despite the challenges posed by the COVID-19 pandemic, 7 programs were successfully organized in 2020-21, focusing on health awareness and community support. In the preceding years, 9 programs were conducted in 2019-20, and 11 in 2018-19, demonstrating the institute's unwavering commitment to fostering a sense of civic duty and social engagement among its students. These activities have ranged from environmental initiatives and blood donation drives to disaster preparedness and rural outreach, reflecting IIET's holistic approach to education and community involvement.

Program No. 1

Awareness on Hazardous of Plastic Usage

Organizers: National Service Scheme (NSS), Indira Institute of Engineering and Technology

Venue: Tiruttani Town

Date: 11th June 2022

Number of Volunteers: 101

On 11th June 2022, the National Service Scheme (NSS) of Indira Institute of Engineering and Technology conducted an awareness program on the hazards of plastic usage at Tiruttani Town. This initiative involved 101 NSS volunteers who engaged in educational activities and community outreach to highlight the environmental and health impacts of plastic waste. Er. V.G. Raajendran, MLA, Tiruvallur, presided over the program, emphasizing the importance of reducing plastic consumption and promoting sustainable alternatives. Dr. N. Velvizhi, Principal of IIET, delivered the vote of thanks, acknowledging the dedication of the students and the success of the event in raising awareness about plastic pollution.

Usage Temple Pond Cleaning and Surveying

Organizers: National Service Scheme (NSS), Indira Institute of Engineering and Technology

Venue: Thirupachur Village, Thiruvallur District

Date: 22nd June 2022

Number of Volunteers: 62

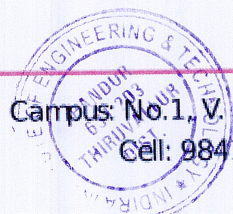

On 22nd June 2022, the National Service Scheme (NSS) of Indira Institute of Engineering and Technology organized a Temple Pond Cleaning and Surveying event in Thirupachur, Tiruvallur District. This initiative, led by Er. V.G. Raajendran, MLA, Tiruvallur, saw the active participation of 62 NSS students who dedicated their time to cleaning and surveying the local temple pond. The effort aimed to improve the environmental conditions and promote community hygiene. The program concluded with a vote of thanks delivered by Dr. N. Velvizhi, Principal of IIET, who appreciated the volunteers' commitment and highlighted the significance of such community service activities.

Dental Health Checkup campaign

Organizers: National Service Scheme (NSS), Indira Institute of Engineering and Technology

Venue: Vidaiyur Village, Thiruvallur District

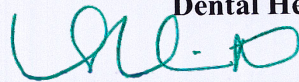

Date: 20th August 2022

Number of Volunteers: 73

On 20th August 2022, the National Service Scheme (NSS) of Indira Institute of Engineering and Technology organized a Dental Health Checkup campaign at Vidaiyur Village, Thiruvallur District. The event, led by Er. V.G. Raajendran, MLA, Tiruvallur, involved 73 NSS students who provided free dental checkups and health education to the villagers. This initiative aimed to raise awareness about dental hygiene and address common dental health issues within the community. The program concluded with a vote of thanks delivered by Dr. N. Velvizhi, Principal of IIET, who commended the volunteers for their dedication and the positive impact of their service on the community's health.

Explaining Biodegradable Waste Conversion Methods in Thiruvallur Vegetable Market

Organizers: Youth Red Cross (YRC), Indira Institute of Engineering and Technology

Venue: Thiruvallur Vegetable Market, Tiruvallur District

Date: 10th May 2023

Number of Volunteers: 50

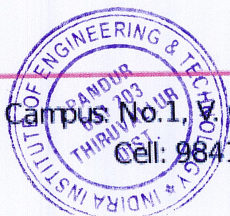

On 10th May 2023, the Youth Red Cross (YRC) of Indira Institute of Engineering and Technology conducted a program on "Explaining Biodegradable Waste Conversion Methods" at the Thiruvallur Vegetable Market. The initiative involved 50 students who demonstrated practical methods for converting biodegradable waste into useful products, aiming to promote environmental sustainability within the community. Er. V.G. Raajendran MLA, Tiruvallur, led the program, highlighting the importance of waste management in reducing environmental impact. The vote of thanks was delivered by Dr. N. Velvizhi, Principal of IIET, who praised the efforts of the students and staff in fostering environmental awareness.
